KIEV'S  
PREMIERE  
LUXURY  
RENTAL

Overlooking the new Botanical Gardens, The Loft offers an experience unlike anything else in Kiev. Sleek, modern design mixed with unparalleled views of the city make for an unforgettable stay. Cement and oak blend seamlessly throughout the penthouse apartment, giving a sensation that is both elegant and cozy. During the day, the floor to ceiling windows flood the space with natural light. And during the evening, the lights of Kiev sparkle below.

An open floor plan and glass interior walls give an airy feel to this luxury loft, while hand-picked designer furniture and top-of-the-line appliances provide all the comforts needed whether staying for a night or a week. Each detail of this two-bedroom penthouse was chosen specifically with form and function, design and comfort in mind.

Fully equipped, The Loft allows the complete autonomy of a vacation rental coupled with the five-star service of a luxury hotel. Enjoy exclusive maid and concierge services as well as exceptional safety and security features.

# VIP

---

# EXPERIENCE

From the 26th floor, overlooking the new botanical garden – one of the greenest areas of the city – the spectacular views can be experienced from the balcony and all the rooms of the apartment, including the en-suite bath in the master bedroom. The bright, open plan and immaculate interior design, coupled with the VIP service provided by the in-house maid and the concierge, makes this loft a one of a kind.

# SERVICE

---

The Loft comes with a five-star level of service and includes an in-house maid and a concierge standing by to help with any inquiries or requests you might have. From the moment you book, the concierge will be at your disposal to help with any pre-trip planning to make your stay at The Loft an unforgettable experience.

# SECURITY

---

The Loft is an excellent choice in terms of safety and security. The building has 24-hour reception and security guards, and The Loft has complete privacy being on the top floor with no other apartments on that floor. It has its own private elevator and two entrances/exit points fitted with high security doors, its own private CCTV security system, intruder alarm system, fire alarm and a safe in each bedroom.

## AMENITIES

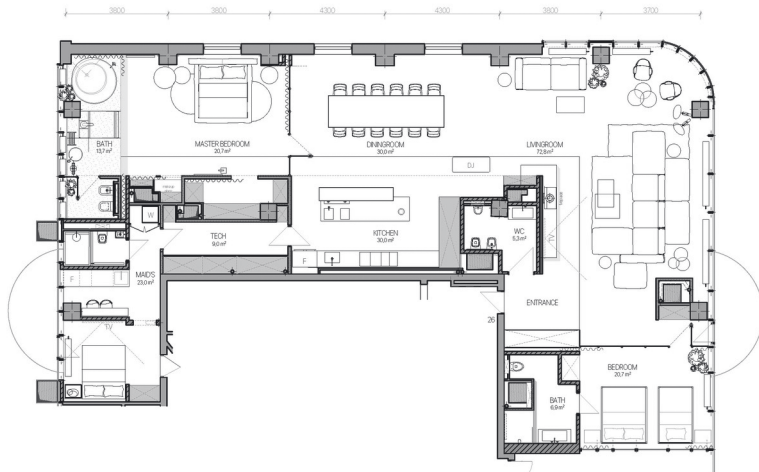

---

The Loft features high speed internet, an 80" Sony flat screen TV with Apple TV, four Devialet Silver Phantom speakers throughout the apartment, high-end kitchen appliances and coffee maker. It has Daikin AC units in every room, underfloor heating and radiators, perfect for those cold winter nights! The Loft also has its own water purification system.

# THE AREA

---

The neighbourhood is one of the greenest areas of the city, close to the new botanical garden and the city center, it has everything you might need. There is a supermarket, wine store, beauty salon, florist and pharmacy right outside the door. The area is one of the safest in Kiev and is where many of the embassies are located.

Zvirynetska St, 59,  
Kyiv, Ukraine
